Come Hear about 'The Dunwoody Model' of Government

Is traditional municipal government obsolete? Did Dunwoody discover a 'game changer' that will transform the way municipal services will be provided in the future? Join us as City Manager Warren Hutmacher tells us about the innovative way that Dunwoody operates and learn why other cities are now using the 'Dunwoody Model.'

Lunch served family style will include: apple and walnut salad; stuffed mushrooms; chicken and spinach manicotti; rigatoni with meatballs; eggplant parmesan; and profiteroles with vanilla ice cream and hot fudge sauce.

Space is limited and we will guarantee a specific amount of food with the restaurant prior to the event. So, please note that all reservations will be charged \$28.00 unless cancelled by July 26th.
