

SCARC - SCAPA
 2011

GIS and Planning, Impacting the Palmetto State

Columbia Metropolitan Convention Center
 Columbia, South Carolina

SCAPA has joined forces with SCARC (SC Arc Users Group) to host a joint statewide conference at the Columbia Metropolitan Convention Center, **February 23-25, 2011**. As planners, we understand that GIS continues to have a positive and lasting impact on our profession. A variety of topical sessions will include plenty of technical information that will benefit both beginners and experts alike. In addition, PlaceMakers will offer a full-day workshop on the **SmartCode** as part of the regular conference registration. This form-based code has received widespread acclaim. The quality, depth and value afforded by this joint conference are unprecedented. Please don't let this opportunity pass to attend a **national-level** conference in the Palmetto State at a fraction of the cost.

Conference Agenda

Wednesday, February 23, 2010

9:00 am	Registrations opens
1:00 pm—4:30 pm	Six Concurrent Sessions
5:00 pm—7:00 pm	Vendor Reception

Friday, February 25, 2010

7:30 am—8:30 am	Breakfast
8:30 am—12:00 noon	Six Concurrent Sessions
12:00 noon—1:30 pm	Lunch and Awards

Keynote Speaker

William H. Hoge, AICP, Colonel (R), USAF

Bill Hoge is a Senior Military Analyst working for Alion Science and Technology at USAFCENT on Shaw AFB, SC. In this job, he daily works with the Air Advisor programs for the Iraqi Air Force and the Afghan National Army Air Force as they work to develop fully functional and independent air forces to support internal and external security for their countries.

SC PLANNING EDUCATION REQUIREMENTS

All SCAPA conference session are approved for continuing education (CE) required by SC Code 6-29-1310 et. SEQ., Educational Requirements for Local Government Planning or Zoning Official and Employees. SCAPA will provide the confirmation in the form of a certificate of attendance within a few weeks of the conference.

AICP CERTIFICATION MAINTENANCE

This workshop has been submitted for approval by the American Planning Association for Certification Maintenance (CM) credits.
