Questions to the Panel

Looking back on your experience with taking the AICP Exam...

1. How early did you start preparing for the test? (years? months? weeks?)
2. How long (hours) did you spend preparing for the test?
3. What were the most useful forms or methods of preparation for you?
4. What were the best 2-3 sources of information that you would recommend?
5. What were the types of questions that you found to be the most difficult?
6. If you had it to do over, what would you do differently?
