Climate Action Task Force Panel Series on Climate Careers

CLIMATE MIGRATION AND HOUSING

Kai Lord-Farmer

Senior Planner - Ulster County, NY

Christian Kamrath

Resilience Program Manager - Miami-Dade
County, FL

Annie Carforo

Climate Justice Campaigns Coordinator
WE ACT for Environmental Justice

Feb 22, 3-4 pm EST

This panel will explore the relationship between climate migration challenges and planning for resilient housing. Our panelists represent a wide range of geographic areas of practice, accompanied by unique positions. Panelists include those working in both county government and nonprofit organizations, on a variety of climate and housing related challenges.

DECARBONIZATION AND TRANSPORTATION

Sarah Dougherty

Community Engagement Manager
Invenergy

Andrew Salzberg

Program Officer
Climate Imperative Foundation

MAR 14, 3-4 pm EST

This panel will highlight the complexity of addressing decarbonization in response to new transportation planning concerns. Panelists include individuals working in both the nonprofit and private sector each at the intersection of decarbonization and climate challenges.

CLIMATE PLANNING IN LOCAL GOVERNMENT

Chris Read

Sustainability Manager
City of San Luis Obispo, CA

Tammy Seale

Principal
PlaceWorks

Matt Gonser

Chief Resilience Officer
Honolulu, HI

APR 23, 3-4 pm EST

This panel will highlight the complexity of climate planning work that must now be undertaken by local governments. Panelists include individuals working in consulting positions, local government and each working to address climate issues in their respective communities across the United States.
